

TReXGlobal.com and Fidelity National Real Estate Solutions Partner to Provide Investor Web Tools

FOR IMMEDIATE RELEASE

PRLog (Press Release) – Nov 04, 2008 – Fremont, California – TReXGlobal.com announced an agreement with Fidelity National Real Estate Solutions (FNRES) today.

Through this agreement, FNRES will include T-ReX Investor Web Tools in its updated rDesk(r) Broker Website release.

"This is the beginning of a great partnership with T-ReX Global to provide investors with valuable content, information, and analysis they need to make smart real estate decisions," said John Hensley, FNRES SVP and General Manager of Broker Agent Products and Data Aggregation. "This partnership brings together the top real estate data and services provider with the emerging premier solution for real estate investors."

rDesk Broker Website customers will have the ability to incorporate T-ReX Investor Web Tools onto their sites with the new release. T-ReX Global is also providing rDesk Broker Website users with the ability to co-brand the investor web tools at no additional cost.

"Our partnership with FNRES empowers rDesk Broker Website users to tap into the huge investor market," said Pankaj Shukla, CEO of TReXGlobal.com. "Providing valuable tools that can help investors save thousands of dollars has proven to be a valuable marketing technique for all real estate professionals."
